

A “Hello” From Your Teacher!

Hello everyone,

My name is Ms. Thao and I am thrilled to be your TK teacher. I am looking forward to a year of learning fun and adventures. I can't wait to learn all about you, but first I'll tell you a little about me.

Before I became a preschool teacher, I got my BA degree in Education and taught for 5 years in grades 1-3. I then decided to work with younger children so I went back to school to get my site supervisor permit. I have been working and teaching in the field of Early Childhood Education for 8 years. I've always had a deep passion for teaching and working with young children.

There is so much that I am looking forward to this year. In August, we will focus on “Get to know each other.” We will be talking about ourselves and our favorite things. We will discover our classroom and all the tools and their use. We will also work on colors and how to change one color to another and how to make a color disappear. One of my favorite thing to teach is science. I can't wait to meet you all and start our fun year together.

A few reminders when you come to school:

- Wear your *big smile*
- Bring a healthy lunch. No candy please!
- Extra clothes
- Wear tennis shoes
- Wear comfortable play clothes. Please do not put on clothes with buttons and a belt. It takes too long for you to unbutton or take off your belt.

To parents:

Please download ***Living Tree App*** and ***sign up***. This is where I send out newsletters, notes, pictures and other updates throughout the school year.

Class name: TK Program

Teacher: Ms. Thao

Code: D6A5F53276
